Hi Cristina, I sent you a newer message with correct Community Meeting tentative dates. Initially I was looking at the wrong list. I corrected dates below (in bold). My apologies, Karen

Hi Cristina,

I am not aware of a map that has all of the R3 EtO commercial sterilizers on one map (if that is Adam's question), but I can look into this. We do have isopleth maps for each facility.

Below are the 7 R3 EtO facilities and their locations (I know that you did not ask for this, but I included tentative community outreach meeting dates:

Elite Spice, Hanover, MD (**November 10**)  
Elite Spice, Jessup, MD (**November 15**)  
Trinity Sterile, MA (**November 17**)  
American Contract Systems, Zelienople, PA (November 8)  
B. Braun, Allentown, PA (November 1)

Cosmed, Erie, PA (November 3)

Sterilization Services, Henrico, PA (October 13 – most likely to be rescheduled since we have not had the 2<sup>nd</sup> stakeholders meeting.

Let me know if you need anything else. .

Thanks, Karen

Good morning!

Adam had some questions I could not answer because I couldn't remember. Could you please help me with the following questions?

Mike - PA Oil and Gas rule – Adam would like some talking points to talk to Ramez, Acting PA Secretary, to see if another letter to legislators would be helpful. Also, Adam would like to know which is the legislator that is quoted in the news articles as not thinking EPA will follow through with the highway sanctions.

Alice – Adam would like to know the names and locations of the commercial sterilizers. Do we have a map with that information?

Karen – I think Alice is still out. Do you have the information on the commercial sterilizers handy?

Thanks, Cristina
